USA HOCKEY REGISTRATION: All players will be required to have current registration with USA Hockey for the **2022-23** season through USA Hockey @ www.usahockeyregistration.com if not already done so. Once complete, forward the online confirmation to the League Director, Noah Maddex @ noah@chaparralice.com. Your USA Hockey registration must be up to date prior to registering for the league. Please note that registering for USA Hockey does not register you for the league and visa-versa.

If teams do not have exactly matching jerseys, then the primary BASE color of everyone's jersey must be the same with unique numbers on each jersey (no duplicate #'s allowed). HOW TO REGISTER:

All returning customers from the 2022-2023 Fall-Winter season will be emailed the Legacy Discount code prior to enrollment opening.

On-line:

Go to www.chaparralice.com. Click on Program Registration. This will open a new browser window. You will need to create an account (if not already done) and log-in. After your account is all set-up, click on Registration. On the Select Programs page, click on Adult Hockey League. From there select the appropriate registration. Follow the instructions from there. Failure to follow these steps can result in you getting registered in the wrong league/division or possibly not enrolled at all. When you register, make sure all personal data is filled out as accurately and completely as possible so that our records are accurate, and we get you registered in the correct division. If you have any special requests – specific team, multiple divisions, partner requests, position, etc. contact Noah Maddex via email @ noah@chaparralice.com.

In Person @ NORTHCROSS: You can pay in full or set up a payment plan in person at the rink front desk. All payment plans MUST be set up according to the payment schedule on the previous page unless otherwise approved by the league director. Only credit or debit cards are accepted for the payment plan. No cash or bank acct/routing info is accepted for the payments. Cash is accepted for the initial down payment though.

NOTES: Registration for a specific division does not guarantee that you will be playing in that division. Also, special requests will be noted, but there is no guarantee that we will be able to accommodate them. All requests – team, play-with, etc. – need to be emailed to the league director.

If you are a **NEW PLAYER** to the Chaparral Adult Hockey League or have not played in the league since at least the Summer 2020 season, make sure you enroll online for the specific division under the "New Player" category. For example, A League Draft Registration - Goalie New, B1 League Draft Registration – Skater New, etc. By doing so, you will be enrolled in the new player evaluation skate. Please be sure your contact info is valid because the league director may need to contact you for additional playing history information. Any current player
